Attn: Steven Koster

Enclosed please find your Certificate for Washington Laboratories for the Partner Test Laboratory program (PTL), acknowledging it as a qualified test lab for TUV Rheinland of North America under the PTL program.

Please note the valid until date on the certificates of 21st November, 2020. Prior to that date, successful completion of a surveillance audit along with ongoing verification of compliance with the requirements of the PTL program will be required to maintain the certificates for an additional year.

As requested, we have removed the PTL qualification for your laboratory location in Gaithersburg, MD.

Thank you for your participation in the PTL program. Please contact us for any questions you may have.
